

COST ESTIMATOR

JOB TITLE: Cost Estimator

LOCATION: Johannesburg

TERRITORY: JHB Greenstone / International Travel

Exciting opportunity available for a **Cost Estimator** based in Johannesburg, who will be responsible for creating quotations and proposals.

FS Systems International Ltd protects lives and assets through cutting-edge fire and enterprise security technology, throughout Africa and LATAM. We are a diverse, agile team of intrapreneurs, specialists, professionals and collaborators - and we're a lot of fun to work with.

The team member we are looking to bring onboard will be responsible for:

- Retrieve supplier pricing from pricelists and through manufacturer engagement in a timely fashion.
- Create complete, accurate quotations and proposals with margins as specified.
- Accountability for all pricing activity.
- Maintain pricelists and updating of Internal Documents.
- Assist solutions design and other tasks as required by Key Account Manager.
- Follow structured learning program of the product and solutions portfolio that FS Systems International represents.

We are looking for someone with:

- Industry / product related qualification will be beneficial (CCTV, Networking, Access Control, Avigilon, Gallagher, Ubiquity, Cisco etc)
- Minimum 1-2 years' experience within a similar role or environment
- Intermediate Excel skills
- Microsoft Office 365
- Mathematical literacy, price and margin calculation, currency conversion and pricing of complete solutions
- Background in CCTV/ surveillance/Networking/Access control
- Procurement experience related to above will be beneficial

When hiring, we look for team members who **align with our values** and believe in delivering excellent customer service, have integrity, maintain a high standard of work, are creative and innovative, highly passionate, high performing and believe in constantly upskilling themselves.
